With the Silly Season upon us, we find ourselves reflecting on the past year and all those wonderful people who have helped our business in a most significant way. THANK YOU for your loyalty to Watts Energy. We wish you and your families a very Merry and Safe Christmas and hope that the New Year is filled with Peace and Happiness.

### HO HO HO

**Xmas message to you all  
From Watts Energy  
2012**

Whatever is beautiful  
Whatever is meaningful  
Whatever brings you happiness  
May it be yours this holiday season  
and throughout the coming year

**Happy birthday wishes  
for the month of December**

Success is not final  
Failure is not fatal  
It is the courage to continue that counts

Gallagher opened the morning newspaper and was dumbfounded to read in the obituary column that he had died. He quickly phoned his best friend, Finney. 'Did you see the paper?' asked Gallagher. 'They said I died!!' 'Yes, I saw it!' replied Finney. 'Where are ye callin' from?'

## **Mylo Browncoat – The Good, The Bad and the Unbelievably Ugly**

### **The Good**

1. Anthony Lynch – Ergon. What a star! Email to Ergon requesting review of capacity demand after Coles came off the Centre's bulk supply and now has own supply (owner was making a loss with on selling to Coles). Response within 2 working days and then a week later revised network tariffs have been calculated and approved - And, wait for it, wait for it, wait for it..... 1<sup>st</sup> account issued was 100% correct! Anthony Lynch from Ergon – you are a legend.
2. Katie Dutton of AGL. One of the original AGL Angels – sorted out Auntie Pam's account quicker than Jack Flash. Auntie Pam was so happy she was doing the quick step all over and singing. Thank you Katie, thank you Katie, thank you Katie.
3. Gareth, Eneli and Phoebe of ERM Power – sale of property – urgent request to ERM. Within a blink of an eye had new agreement for new owner with great price. Just as fast as Black Caviar. Gareth, Eneli and Phoebe – you rock!!!
4. Peter La and Sam Dorrofield of Origin – for getting the credit assessment for the Catholic Church approved. After Louise Pope from Alinta failed them and so too did AGL and ERM – Origin Energy saved the day, The Church, Midnight Mass and now the lights will not go out. I was told the guy from the Church, with God as their reference, said that all the suppliers who failed the credit assessment will not get into Heaven. However, Peter and Sam, you have VIP passes! Believe it or not ... Louise Pope – surname **Pope** failed the credit assessment for the Catholic Church – Best you hop to confession Ms Pope!
5. Donna Edwards of Cornerstone Properties (No, it's not Donna Edwards from Watts) for her terrific assistance with the recent 'squeezed in' tenders and for the very prompt signing of all the agreements and for not being confused with "to Donna Edwards" "from Donna Edwards". OTHER – you are a star!
6. Nicole Lambert of AGL – for being kind and agreeing to back date agreement to start 1/1/11 so the customer was not stung by the huge default rates. For not putting the \$'s before the person. If only there were more Nicoles in the world. YOU ARE A VERY GOOD GIRL!
7. Nicole Gatehouse of Origin – for trying her heart out to get someone, anyone to resolve the \$1 million billing dispute. Good on you Nicole – you are very brave!!

### **The Bad**

1. Origin – the whole 'wrong mailing address' issue.

### **The Ugly**

1. QCA – Tariff rates and the whole on-selling merry nightmare from the changes 1/7/12.
2. More properties and businesses now in receiver management – so ugly and so sad for all involved parties.

## **AN OLD FARMER'S WORDS OF WISDOM WE COULD ALL LIVE BY ...**

- Your fences need to be horse-high, pig-tight and bull-strong
- Keep skunks and bankers at a distance
- Life is simpler when you plow around the stump
- A bumble bee is considerably faster than a John Deere tractor
- Words that soak into your ears are whispered ... not yelled.
- Meanness don't just happen overnight.
- Forgive your enemies; it messes up their heads.
- Do not corner something that you know is meaner than you.
- It don't take a very big person to carry a grudge.
- You cannot unsay a cruel word.
- Every path has a few puddles
- When you wallow with pigs, expect to get dirty.
- The best sermons are lived, not preached.
- Timing has a lot to do with the outcome of a rain dance.
- If you find yourself in a hole, the first thing to do is stop diggin'.
- Sometimes you get and sometimes you get got.
- The biggest troublemaker you'll probably ever have to deal with, watches you from the mirror every mornin'.
- Always drink upstream from the herd.
- Good judgment comes from experience, and a lotta that comes from bad judgment.
- Lettin' the cat outta the bag is a whole lot easier than puttin' it back in.
- Most of the stuff people worry about, ain't ever gonna happen anyway.
- Don't judge folks by their **relatives**.
- Live a good and honourable life, then when you get older and think back, you'll enjoy it a second time.
- Don't interfere with somethin' that ain't bothering you none.

**When I was young I was scared of the dark.  
Now when I see my electricity bill I am scared of the lights!**

### The Bathtub Test

During a visit to my doctor, I asked him, "How do you determine whether or not an older person should be put in an old age home?"

"Well," he said, "we fill up a bathrub, then we offer a teaspoon, a teacup and a bucket to the person to empty the bathtub."

"Oh, I understand," I said. "A normal person would use the bucket because it is bigger than the spoon or the teacup."

"No," he said. "A normal person would pull the plug. Do you want a bed near the window?"

Walking into the bar, Mike said to Charlie the bartender, 'Pour me a stiff one – just had another fight with the little woman.' 'Oh yeah?' said Charlie, 'And how did this one end?' 'When it was over,' Mike replied, 'She came to me on her hands and knees.' 'Really,' said Charlie, 'Now that's a switch! What did she say?' 'She said, Come out from under the bed, you little chicken.'

### Some Irish humour to finish off the year with

Paddy says top Mick, 'Christmas is on a Friday this year' ...  
Mick says 'Let's hope it's not the 13<sup>th</sup>'

Paddy goes to the vet with his goldfish. 'I think it's got epilepsy' he tells the vet. Vet takes a look and says 'It seems calm enough to me'. Paddy says, '**I haven't taken it out of the bowl yet**'.

Paddy shouts frantically into the phone 'My wife is pregnant and her contractions are only two minutes apart!' 'Is this her first child?' asks the Doctor. '**No', shouts Paddy. 'this is her husband!!'**

Paddy was driving home, drunk as a skunk; suddenly he has to swerve to avoid a tree, then another, then another. A cop car pulls him over as he veers about all over the road. Paddy tells the cop about all the trees in the road. Cop says 'For gods sake Paddy, that's your air freshener swinging about!'

An old Irish farmer's dog goes missing and he's inconsolable. His wife says, 'Why don't you put an advert in the paper?' He does, but two weeks later the dog is still missing. 'What did you put in the paper?' his wife asks. '**Here boy', he replies.**

Paddy's in jail. Guard looks in his cell and sees him hanging by his feet. 'What the hell you doing?' he asks. 'Hanging myself' Paddy replies. 'It should be around your neck' says the guard. 'I know' says Paddy 'but I couldn't breathe'.

Two Irishmen were standing at the base of a flagpole, looking up. A blonde walks by and asked them what they were doing. Paddy replied, 'We're supposed to be finding the height of this flagpole, but we don't have a ladder'. The blonde took out an adjustable spanner from her bag, loosened a few bolts and laid the flagpole down. She got a tape measure out of her pocket, took a few measurements, and announced that it was 18 feet 6 inches. Then, she walk off.

Mick said to Paddy, 'Isn't that just like a blonde! We need the height and she gives us the bloody length'

### HONOUR ROLL

It has been a long time between drinks.

We introduced Mylo Browncoat's Legend Honour Roll in the October 2011 issue. Paul Enright was knighted on 8/9/11. Now in December 2012, there is finally a new addition! Joining Paul is Dr A – Andrew McNair of Energy Options.

This brilliant meter surgeon can find the meter's disease and complete the operation so the meter is better than new.

Dr A can leap tall meters and big network charges and loss factors and is the specialised chilled water guru.

All his hard work and fantastic humour throughout the 'Rego Era' and for always knowing the answers. The wonderfully kind Dr A – there are too many issues that he has fixed, too many to mention so this is for all of them.

Well shiver me timbers – another male on the Legend Honour Roll – Watts happening with the chicks?? Well done Dr A – you have been officially knighted onto the Legend Honour Roll.
